

BackPack Weekend Food Program, Inc. (BWFP) Enrollment Form

Dear Parent or Guardian,

Your child has been invited to participate in the Backpack Weekend Food Program, Inc. (BWFP). Through the collaboration of caring local churches, organizations and individuals, the BWFP is able to provide weekend meals to children in need during the school year. A bag of food will be distributed to your child once a each week while school is in session (except for holiday breaks longer than 3 days). Food should be used for its intended purpose: to be eaten at home on the weekend and not consumed on the bus or given away. Reports of any abuse like this may lead to removal from the program.

The BWFP provides nutritionally-balanced, non-perishable meals that follow specific child nutritional guidelines. We encourage you to speak to your child about the importance of healthy eating habits for long-term health and wellness. Please use the Health Tips provided each month to start these conversations with your family.

We want to be able to serve as many students in need of weekend food as we can. Should your family situation change during the school year and your child no longer needs the weekend food, please notify the school so that another student can have the opportunity to participate in the program.

To enroll your child in the program, please complete the form below and return to your school.

It is very important to list your child's food allergies.
Certain allergies and severe allergies cannot be accommodated.

Child's Name: _____ Age: _____

Teacher's Name: _____ Grade: _____
