

Last year reminded us of the resiliency of the human spirit to creatively gather, even while we have to be apart. Instead of coming together under one roof this year, we want to bring the event directly to you!

Together, Apart: Dining at the Chef's Table
Saturday, February 20, 2021

A delicious, multi-course meal will be prepared by **Gaston Country Club**, with accompanying wine selection, all then delivered by Celebrity Servers and Backpack volunteers to your home. Tune into special virtual entertainment online and take a walk down memory lane as we recognize 10 years of making a difference in students' lives through weekend meals, thanks to our community of supporters.

Tickets: \$150 **includes a bottle of red wine*
Registration deadline is **February 8, 2021**.

**All contributions for this event support the Backpack Weekend Food Program's services to help feed students in Gaston County Schools on the weekend.*

**Due to the nature of this event, meals may only be delivered to addresses in the Gaston County area to best preserve the integrity of the food. Thank you for your understanding.*
